SIR,

Subject:- Proposals for the utilisation of the additional grant of Rs. 1,000/- per annum sanctioned for the Governme School for Deaf and Blind Boys, Mysore.

Adverting to Government Order No. 689-92/Muz. 116-35-6 dated 28 November 1935 calling for proposals for the utilisation of the addit al grant of Rs. 1,000/- per annum sanctioned for the school temporar for a period of 2 years to start with, I have the honor to state tha the President of the Managing Committee of the school informs me tha it has not been possible to obtain the detailed figures ~~xxxx~~ of the proposed expenditure but that the Committee have decided in favour o the following schemes:-

1. Further development of the Weaving Department of the School by purchase of automatic looms	Rs. 400
2. The installation of machinery for the manufacture of cane chairs	Rs. 250
3. The purchase and installation of machinery for making carpets from the Krishnarajendra Mills	Rs. 400

The installation of this new machinery will entail a largely increased expenditure on raw materials which will use up the grant in the coming year but the sale proceeds of the increased production will be credited to Government as usual. It will be necessary to employ a

properly trained technical Instructor in Weaving in place of one of the present Weaving Instructors and the increased cost of his salary is proposed to be met from the three branches of Industry referred to above.

I have the honor to be,

Sir,

Your most obedient servant,

K. S. Rao

Director.
